

**“Future-Creation
(MIRAI)” Course**
Kyushu University SPRING program

FY2025 Resilience Training

This fiscal year, we were honored to host two sessions of the lecture titled “Developing the Ability to Survive Against Adversity”, delivered by Mr. TAKAYAMA Aritomo, President of WILL SYSTEMS.

The sessions provided an invaluable opportunity to reflect on our personal journeys and reexamine ourselves, making it a truly meaningful experience.

[Lecture Details]

■ First Session

Date: Friday, October 17, 2025

Venue: 2nd Floor, Design Commons, Ohashi Campus

■ Second Session

Date: Wednesday, December 10, 2025

Venue: Room 1501, Center Building No. 1, Ito Campus
